

DELAWARE ANIMAL RESPONSE (DAR)

VOLUNTEERS NEEDED

DO YOU have small or large animal care, handling, control, training, sheltering, or rescue experience?

DO YOU have emergency response experience?

DO YOU just love animals and want to help?

If so, the DAR State Animal Response Team **NEEDS YOU**.

ARE YOU a veterinarian, veterinary technician, or veterinary assistant?

If so, the DAR Veterinary Medical Reserve Corps **NEEDS YOU**.

Exciting statewide opportunities are available for citizen volunteers to assist in ensuring Delaware's animals will be safe and cared for during emergencies and disasters, such as hurricanes, extreme winter storms, and floods.

Volunteers will assist in:

- Community outreach and pet preparedness education
- Animal evacuation and transportation
- Animal emergency sheltering
 - Animal search and rescue
 - Veterinary medical services
 - Animal decontamination
